## Welcome to the Travellers Inn.

We have two new apprentice chefs, Kian & Jodie who have joined us at the Travellers and we are delighted to offer an opportunity to young people to grow in skills and learn to excel in the world of hospitality. In order to help these young people develop we are offering a reduced menu on the days when they are taking full responsibility in the kitchen so that they can prepare and cook foods with which they are comfortable and our aim is that the food offering will increase gradually as they grow in confidence. We hope that you our customers will encourage and support these young people.

We source all our food as locally as possible. Beef, lamb and pork come from a local farm in Wortley and our speciality sausages, fish, meat and pies are from Cannon Hall, Crawshaws or Harringtons. Chicken is purchased from a quality farmer just up the road. Eggs and potatoes are from local farms and most of the food on the menu is cooked here on the premises.

At the Travellers we value every customer and know that some are unable to eat wheat, dairy, nuts whilst other choose not to eat certain foods. We do not want you to be bored or fed up with the “same old” and so we have a dedicated “Specials” board for customers with specific requirements. If you have any concern as to ingredients used in a particular dish please feel free to ask. All food marked with a \*\* is Gluten Free and we also have Gluten Free bread so please ask.

We hope that you have a lovely meal, great drinks and a super time at the Travellers - if we don't get something right for you then please do feel free to tell us because we would rather have the opportunity to correct any mistakes whilst you are here.

If you have enjoyed your food and do participate in social media we would really value your happy and positive reviews on Trip Advisor, Facebook or Google!!

We do not offer allergen free meals as the kitchen is not large enough to facilitate this.
